# Project Description

The goal of the activity was to raise awareness on public health and increase the residents' awareness on general health topics, and through the increased awareness decrease the spread of diseases like STD and HIV, Hepatitis, earlier detection of breast cancer and promote healthy lifestyle amongst young generation.

The project was implemented in cooperation with the Center for Information and Counseling on Reproductive Health - Tanadgoma, Batumi Branch

## Activities:

- Conduct informational educational meetings on public health-related topics (HIV, STI, Tuberculosis) among General Population, Women, Teenagers, and Medical Providers.
- Create, print and distribute IEC materials among General Population, teenagers and women about: HIV, Hepatitis, Tuberculosis, Contraception, Breast Cancer, etc.
- Provide testing and counseling on HIV and hepatitis B and C

# Topics:

- Breast cancer
- Abortion and Contraception
- Tuberculosis
- HIV, AIDS and Hepatitis B&C
- Men's Health
- Gender in Georgian Reality
- Healthy lifestyle for teenagers
- Epilepsy and First Aid for School Teachers
- Informational Meetings for Medical Providers in Khulo and Shuakhevi Hospitals

## Snapshots

- 99 local women, 35 nurses from Khulo and Shuakhevi hospitals have been covered under awareness on healthcare, 430 residents tested on B&C hepatitis, and HIV, 121 teenagers trained on healthy lifestyle, 88 local men received information on Men's Health.

# Meetings in Khulo Villages

## Meetings in Shuakhevi Villages

# Target population and Estimate Number of Testing and Distributed Materials:

Municipality	Village	#of population	# of persons attending the meeting	estimate # of persons who will be tested	estimate # of distributed IEC Materials
<b>Khulo</b>					
1	Didachara	1502	25	200	500
2	Gurta/lakobadzeebi	654	25	150	200
3	Geladzeebi	291	25	50	100
4	Paksadzeebi	350	25	80	150
5	Diakonidzeebi	388	25	80	150
6	Vashlovani	1974	25	300	700
7	Tsablana	631	25	150	200
		5790	175	1010	2100
<b>Shuakhevi</b>					
8	Akhaldaba	531	25	150	200
9	Chanchkhalo	562	25	150	200
10	Makhalakidzeebi	433	25	100	200
		1526	75	400	600
<b>TOTAL</b>		7316	250	1410	2700
